INVITED STALLS

KATHY GIBSON - JEWELLERY AND ACCESSORIES

Kathy learned to knit and sew at primary school which was the start of her creative journey, producing knitwear and machine-made dresses. Later, in the 1990's, made American Lap Quilts and then from 1997 to 1999 she studied Textile Art at Cardonald College and the Arts Centre. Thereafter contributing to many exhibitions. She won 'Best in Show' at the Arts Council Art Show for her framed textile work titled: 'Silver Lady'.

For fifteen years she has sold works at Craft Fairs and her stock has now expanded to include: Celtic Knot Jewellery and has continued to enjoy making many original pieces.

JUNE HENDERSON -

POTTERY

June has lived in East Kilbride since 1998. She was first introduced to pottery after one of the children she looked after kept bringing lovely pieces of work from his pottery class for June to see. She decided then to start on pottery herself and eighteen years later she had achieved great work and is "still learning"!

JOAN GRAY - TEXTILES AND TEXTILE ART

Joan worked in the Arts Centre in East Kilbride before she retired. She studied at Cardonald College attending evening classes for Hand/Machine Embroidery. She has had several exhibitions with friends and two successful solo exhibitions, one in 2015 and one in 2018.

JOHN ADAMS - GLASS ARTWORK

John, in 2004 while holidaying in a small French village, spent a rainy afternoon watching stained glass panels being restored and was encouraged to try to make a suncatcher.

Their dog Barney became the subject of his first piece and eventually, after a couple months, it was completed. The seed was down and he was hooked!

Now John has online outlets and is an avid Craft Fayre attendee.

Presently he is incorporating wood and other materials into his pieces.

Hopefully others will enjoy them

too.

THE TEAROOM

The Tearoom will be in the hall with the other stalls also from 10am until 4pm. The admission ticket will entitle the holder to partake of the goods on offer at the Tearoom: tea/coffee/soft drinks/ quality home-baked cakes and sandwiches. (there will be no custard creams here!)

Just hand over your admission ticket to those persons attending at tables.
